THROUGH THE YEARS

Whatever we, the Senior Class of 1943, will be doing in the years to come, we shall never forget our high school days. Memories of our joys, our sorrows, and our escapades there will linger with us through the years. For it was there in four short years that the happiest moments of our lives were spent. We learned to know Mayville High, its warm and cheery atmosphere, its hidden secrets, and above all, its unconquerable spirit of final victory held open to all who passed through its doors.

It meant more to us than a mere building. For all of us realized and felt that it had a soul, one that could laugh when we were happy, share our deepest secrets, and sympathize in our sorrows.

Four years ago, how long it now seems, as timid freshmen it made us welcome. We learned then that the school held a tradition. The Freshman-Mixer burst the barrier of loneliness and we became an intricate part of school life.

We held no qualms about coming back in our sophomore year. The school beckoned to us and we answered its call. We were all back. This was the year we would come into our own, and we did. Members of our class made the varsity athletic teams. Infantile Paralysis came and went, but school life carried us on. This was the year we groaned under the burden of World History. We forgot our shyness as dates became the rule rather than the exception. It was the year we had a new principal and several new faces made their appearance on the teaching staff. That year will long linger in our memories.

When we came back the next fall things were different. We felt a change coming but we could not fathom it. We came to face new responsibility. Not only must we uphold the tradition of successful past seasons in athletics and debate, but the spirit of National Defense gripped us tighter in its grasp. On December seventh we knew the answer. We knew what it was to have WAR. We now had a new responsibility to face. Gone were the carefree days of the years before; we must train ourselves for the big job of winning the war. This, too, was the year of our Prom, but it was not the same as in former years. The dark cloud of war seemed to hover over our lives like a phantom. We shall never forget our Junior Year.

And then we were seniors. Haughty and proud we were now at the top of the ladder. It was our year, ours to command and rule. We knew everything there was to know. Yet we could never lose sight of the fact that our job was to get ready for the war and the post-war period to follow. We did make progress. Our football team showed more of the unconquerable spirit of previous teams than it had showed for the previous two years; our basketball team did better; we had a good debate record. We did our part to aid in the war effort. We sacrificed our class trip, something that had become a tradition here at Mayville; we gave up a top-grade annual cover so that the extra money could be put into war bonds. We sponsored a magazine campaign for the same avowed purpose. We did our best to become physically fit to prepare us for our future war duties. Yes, we held our annual homecoming dance and class play, but the war had changed its former cheery atmosphere.

Now we stand at the threshold of a new life. Gone are the happy years spent at Mayville High. We have come to realize what it means to face responsibility. With the ideal of youth set at some distant point, we shall face unflinchingly the trying years ahead of us. And we shall conquer, and the spirit of our great high school shall rejoice with us.

OUR SUPERINTENDENT

You, with a million or more American youth, are leaving school and entering upon your life duties at a most critical time in history. The destiny of the world for years to come virtually hangs upon the efficiency with which you perform those tasks to which you will be immediately called. Whether or not freemen shall become the slaves of self acclaimed supermen, or whether the world shall be a place where all, including our enemies, may enjoy the liberties we love and a more abundant life will depend to no small measure upon the manner with which you, who are leaving our high schools this year, will discharge these duties. Whether called upon to bear arms in the defense of our way of life, to produce food and other essential commodities, or to help in planning for a better world, do your best. The world is watching you.

No Longer With Us

John G. Mattke

In December of this year one of our best-liked, most efficient teachers, Mr. Mattke, left Mayville High School to join the armed forces. Mr. Mattke graduated from the University of Wisconsin, taught one year at Janesville, one year at Rockford, and three and one-half years at Mayville. At Mayville he had charge of Arithmetic 8, Algebra 10, Geometry 11, Practical Mathematics 10, and Junior Business Training besides being a Boy Scout leader and a senior class advisor. At the time of writing Mr. Mattke is a sergeant at Camp Philipps, Kansas.

Josephine M. Kildsig

The navy won out when Miss Kildsig left the Mayville faculty to be married to Chief Petty Officer Stanley Bezvoda. Miss Kildsig graduated from the Oshkosh State Teachers College, taught at Shiocton, and three and one-half years at Mayville. English, 7, 8, and 9, coaching extemporaneous reading, declamations, all school plays and senior class plays, and assisting in Girl Scout leadership were her activities. Mayville lost a fine, cheerful personality and an excellent dramatic coach when Miss Kildsig left. She is now living in Bremerton, Washington, where Mr. Bezvoda is stationed.

Freda M. Sanner

This year our efficient Home Economics teacher, Miss Sanner, left the teaching profession entirely to take a much advanced position as the Home Management Supervisor of the Farm Security Administration at Superior. Miss Sanner, a graduate of the University of Wisconsin, taught one and one-half years at Mayville where she had charge of Homemaking 9, 10, 11, and 12, part-time and adult homemaking classes and Future Homemakers of America, and was an advisor for G.A.A. Miss Sanner is widely missed at Mayville and we hope she finds her new profession a happy and successful one.

For six years Mrs. Elvie Springer was a most efficient secretary to the superintendent and all around helper for students and teachers, but she has now decided to use her abilities elsewhere. The loss of Mrs. Springer is indeed a loss to Mayville High.

JANITORS

If there's ever anything you need, just call on Mr. Guse. "Max" has been our faithful janitor for eighteen years. His is the task of keeping the "academy" warm and clean, and that's a big job. To Mr. Guse and his assistants, Mr. Frank, Nickie Stipanovic and Milan Stipanovic, a royal navy salute!

ACADEMY SCHEDULE

At 8:30 each morning from Monday through Friday the "last bell" summons Mayville "cadets" to their work. Three sixty minute periods plus the Home Room period occupy the forenoon. After a noon recess from 11:45 to 12:50 A.M., the classes are again resumed. The afternoon consists of five forty-five minute periods, one of which is rotating, so that each afternoon class actually meets only four times each week. These arrangements were necessary for the newly formed Victory program. Every second Thursday, students are shown free movies of educational and current interest. Assemblies and pep programs are scheduled at intervals. Each student is given a choice of one of four courses of study, general, commercial, college preparatory, or agriculture, to pursue throughout his high school career.

In compliance with a request from the federal government, the Mayville High School organized an active Victory Corps. Nine clubs were formed, including:

Junior Red Cross

Outdoor Activities
Model Craft

Photography

Last fall many students did their bit for victory by volunteering to help harvest beets. To conserve tires for out of town students, two school buses were purchased this year. Each week bonds and stamps are sold in Home Rooms. The senior band sponsored a city-wide war bond drive and succeeded in selling over $15,000 worth of bonds. All in all, Mayville Hi is going all out for victory.

GUIDANCE PROGRAM

In our guidance program the Freshmen are given tests. These tests then are given again to these same Freshmen when they become Seniors. These tests include such aptitudes as:

1. Academic
2. Mechanical
3. Musical
4. Artistic
5. Clerical
6. Manipulation Dexterity

Different achievement tests are also given throughout the four years of study. These tests show the vocational interests of the students. Our councilor, Mr. Koeppe, has had an interview with each student to help him in selecting the right vocation.

In addition to the testing program the students are given daily programs in the Home Rooms. These lessons are along the lines of getting along with others, developing personality, vocational interests, and attitudes towards the opposite sex. The school is beginning to check up on the graduates to see how well they are succeeding in their future vocation. Mr. Jones desires that all teachers have an open mind and a sympathetic heart toward students and their problems. He would like students to feel free to go to some teacher who will help them as a friend.

IN RETROSPECT

This year Mayville enjoyed one of its most successful debate seasons. Certain achievements enable the reader to evaluate this success.

The varsity team won third place in the state tournament. The complete record of the first team was forty wins and sixteen losses. Mayville debaters participated in ninety-six debates with other schools and twenty intramural debates in addition to numerous practice contests. A total of thirty-seven students, seventeen boys and twenty girls, took part in the school debate program this year. The Mayville debate tournament was attended by thirty-two high school debate teams and was the largest debate tournament in the state in 1942-43. Not many schools can point to a similar record.

The Season

MAYVILLE DEBATE TOURNAMENT

The first team of Zuern, Naber, Schoenike, and Sperling tied for first place. Mayville entered six teams and participated in forty-eight debates, winning twenty-nine debates while losing nineteen.

WISCONSIN FORENSIC ASSOCIATION SPEECH INSTITUTE

All four Mayville varsity debaters spoke in the demonstration debate and participated in the extempore speaking contest. Edward Naber won first place in the extempore contest.

BEAVER DAM DEBATE TOURNAMENT

Mayville's first team won this tournament winning six debates and losing none. Seven Little Ten Conference schools were represented in the tournament. Mayville defeated Waupun, Horicon, Columbus, and Beaver Dam.

MARQUETTE UNIVERSITY SPEECH INSTITUTE

Mayville's varsity speakers took part in round table discussion and four non-decision debates with Milwaukee Washington, West Allis, Sheboygan Central, and Oconomowoc.

LITTLE TEN CONFERENCE DEBATE TOURNAMENT

Mayville tied for second place in this tournament. The defeats suffered in this tournament were questioned by the debaters. Rival coaches acted as judges.

WATERTOWN PRACTICE DEBATES

Mayville's debaters engaged in two non-decision debates with Watertown's first and second teams at Watertown.

ST. JOHN'S CATHEDRAL TOURNAMENT

Mayville won second place in this tournament which was packed with good teams from the Milwaukee area. We were the smallest school competing. Mayville defeated Milwaukee Washington, Pius XI, Messmer, and St. John's.

MILWAUKEE DISTRICT DEBATE TOURNAMENT

Although three other Little Ten schools and many of the largest schools did not qualify or win enough debates to enter the state finals, Mayville did. Mayville defeated Messmer, West Bend, Port Washington, and West Allis.

N. F. L. STATE TOURNAMENT

Here again tough luck affected Mayville's fortunes. Although Mayville survived the opening elimination round of eight debates, it was eliminated in the semi-finals by Kenosha. Then to make matters worse, Port Washington, a team Mayville had soundly beaten in the first round, went on to win the tournament. Mayville defeated Port Washington, Waukesha, Pius XI, Sheboygan North, and Milwaukee Washington.

STATE DEBATE FINALS

In the Assembly and Senate chambers of the state capitol Mayville fought its way into third place. There were twenty-six schools competing and third best in the state is not bad, but the team lost two extremely close and questionable decisions to Clintonville and Rhinelander, and by so doing lost the championship. Mayville defeated New London, Oconto, Shawano, and Waupaca.

PUBLIC DEBATES

The varsity debaters presented three public debates. They were intra-squad contests put on before the high school student body, the Rotary Club, and the Woman's Club. All three were enthusiastically received.

The affirmative teams were Marilyn Feilbach and Lois Keifoth; Dolores Schraufnagel and Wilbur Rosenkranz; Verona Luedtke and Thor Thorgerson; Earl Beck, Lucy Shriner, and John Bach; Ralph Baertschy and Dick Ruedebusch; and Shirley Hoepner and Roger Cose. Envoys of Education

MAYVILLE'S FORENSIC SEASON

The forensic season this year was a very complete one despite the war and the long successful debate campaign. It included the N.F.L. Student Congress held in October at Marquette University, the University of Wisconsin Speech Institute, the Marquette University Speech Institute, the weekly school assembly Victory Reports, the Little Ten Freshman-Sophomore Forensic Tournament, the Little Ten Varsity Forensic Tournament, and the Milwaukee District Forensic Contest.

Wilbur Sperling and John Oestreicher represented Mayville in the senate of the N.F.L. Student Congress held at Marquette University in October while Rose Marie Zuern and Edward Naber were members of the House of Representatives. Wilbur was nominated for Chairman of the Senate and rated as one of the outstanding speakers present.

Early in December, the U. of Wisconsin held a speech institute in which University critic judges commented on the speech activities of students from twenty-eight high schools. Mayville sent a delegation of nine students. In the extempore speaking contest Edward Naber was ranked outstanding and was selected to give the demonstration speech from his group before the entire assembled audience. Others who took part in the extempore speaking contest and panel discussion were Wilbur Sperling, Rose Marie Zuern, and Roland Schoenike.

The Marquette University Speech Institute was also held in December. R. M. Zuern, W. Sperling, R. Schoenike, and E. Naber represented Mayville. The morning program was devoted to panel discussion groups conducted by Marquette Speech students. The afternoon was devoted to debates on Federal World Government.

Early in the school year the Wisconsin Council of Defense asked the forensic departments of the state high schools to prepare Victory talks to be given by members of their student bodies on subjects pertaining to the war effort. Reports were given on the various types of rationing, the post-war aims, and inflationary and hoarding practices. Edward Naber, W. Sperling, D. Grosenick, R. Schoenike, and R. M. Zuern all participated in this Victory Speaker Program.

After the debate season was concluded the forensic program was begun in earnest. After weeks of careful study and preparation two speakers were chosen from both the Freshman-Sophomore and upper class divisions for the five departments of forensics. The annual Little Ten Freshman-Sophomore contest was held on March 13 at Horicon. Those participating from Mayville were as follows: Dramatic Declaimers—Florence Carmichael, Vivian Berg; Humorous Declaimers—Joan Bartelt, Luann Wegwart; Oratory—Rose Marie Zuern, Nick Hilbert; Extempore Speaking—Betty Mae Endlich, Maxine Kahlhammer; Extempore Reading—Vivian Berg, Jane Blodgett. Rose Marie Zuern, Joan Bartelt, and Vivian Berg qualified for the finals. Rose Marie Zuern won first place in oratory.

In the Little Ten Varsity Forensic Tournament held on March 17 the following people participated: Dramatic Declaimers—Don Grosenick and Dorothy Thiel; Humorous Declaimers—Joan Bartelt and Myrtle Carrier; Oratory—Rose Marie Zuern and Roland Schoenike; Extempore Reading—Roger Cose and Sherlee Hoepner. Dorothy Thiel, Wilbur Sperling, Eddie Naber and Rose Marie Zuern received "A" ratings. Edward Naber and Rose Marie Zuern each won second place, while Wilbur Sperling placed third. These four went to Waukesha on March 31 where in the Milwaukee District Tournament they won four "B" ratings. This was the toughest competition of the forensic season because of all the Milwaukee speakers. Thus to supplement Mayville's five debate season, a fine forensic record was also made.

MASK AND GAVEL

President	Wilbur Sperling
Vice-President	Sherlee Hoepner
Secretary	Jean Bachhuber
Treasurer	Charles Oestriecher

PURPOSE: Mask and Gavel is an honorary organization which is composed of those students who were extraordinarily active in speech work during their high school years. It is a nation-wide organization which is in its infancy here in Mayville High School, having been organized in 1939.

MEMBERS: Only Junior and Senior students are allowed to belong to Mask and Gavel. The members are elected annually by the organization and remain active members until they graduate; after graduation they are honorary members.

ACTIVITIES: Mask and Gavel collaborated with the N.F.L. in a Christmas party which was a huge success. Other than this party the Mask and Gavel's activities have been on the business basis throughout the year.

NATIONAL FORENSIC LEAGUE

President . . . . . Wilbur Sperling
Vice-President . . . . . Edward Naber
Secretary . . . . . Verona Luedtke
Treasurer . . . . . Roland Schoenicke
Distinguished Service Award Custodian . . . . . Ruth Zirbel

PURPOSE: The purpose of the National Forensic League is to reward students for participation in debate and all other types of forensics. Mayville's N.F.L. is the oldest of our school organizations. The Mayville Chapter has been extremely active—it is the first N.F.L. Chapter in the United States to win the bronze distinguished service plaque and also first in United States to win the silver distinguished service plaque.

ACTIVITIES: The Mayville N.F.L. organization has been responsible for the foundation of N.F.L. Chapters in Waukesha, Two Rivers, Chippewa Falls, Milwaukee-Washington, St. Francis, and St. Johns. A meeting was held each month, and at these meetings special programs and the regular monthly business sessions of the Chapter were held. Included in the year's program were an original radio play by Joan Bartelt, a Christmas party, and two spring meetings which included formal, special programs and refreshments. In April the election of officers for 1943-44 was held after the Republican and Democratic campaign managers had selected their slate of candidates and campaigned vigorously for the separate ballots. An N.F.L. picnic was held in May.

ACHIEVEMENTS: Two N.F.L. students received honorary recognition in articles appearing in the Rostrum, the National magazine of the N.F.L. They are Wilbur Sperling and Rose Marie Zuern. Mayville has now the leading Chapter in Wisconsin in members and degrees. It has been made known that Wilbur Sperling is third high, Eddie Naber is fourth high, and Roland Schoenike is sixth high as all time N.F.L. point winners. Robert Schinderle and Virginia Zuern remain first and second respectively.

The 1943 Senior Class of Mayville High School presented the Broadway hit, Seventeen, the dramatization of Booth Tarkington's famous novel on Friday, May 7, at the high school gymnasium.

The Broadway version closely follows Booth Tarkington's plot which saterizes adolescents at this tender age. In brief, the play tells the story of 17 year old Willie who fell in love with Lola, the "Baby Talk Lady." To woo her in a manner worthy of himself (and incidentally of her) he stole his father's evening clothes. When his wooing became a nuisance to the neighborhood, his mother stole the clothes back and had them altered to fit the middle aged form of her husband, thereby keeping William at home in the evening. But when it came to the Baby Talk Lady's good-bye dance, not to be present was unendurable. How William Sylvanus again got the dress suit and what happened at the party are some of the most amusing elements in this comedy of youth.

The play is enriched by the antics of Willie's younger sister, Jane, who foils his every scheme and Genesis, the Negro servant, who unwittingly gives his friend and master away.

DANCE ORCHESTRA

THEME: The band has its own theme, "The Millroad Blues," written by two members, Dick Ruedebusch and Elwin Huck; it's a real jump number.

LEADERSHIP: Although led by a student member, Dick Ruedebusch, he says that Mr. Kimball was really responsible for the work the band turned out and because of his suggestions, it functioned very smoothly.

INSTRUMENTATION: Trumpet, Dick Ruedebusch and "Slim" Huck; trombone, Bill Heinrich; tenor sax, Betty Jones; alto sax, Dorothy Schuman; clarinet, George Janssen; drums, Harvey Sterr; piano, Jean Bachhuber. Two former members, Roy Billington and Bill Blodgett, are now serving in the armed forces.

POLICY: The band furnished music for school dances and between acts at school plays. Though the music was slightly on the "swing" side (because they say they can't play "sweet") it was thoroughly enjoyed by all.

THE "A" SQUAD FOOTBALL SEASON

Although Mayville did not enjoy as highly a successful season as most Mayvillities would have desired, she did, never-the-less, have a successful season. For out of a six game conference schedule the boys in Cardinal won three. This in itself does not seem very impressive, but of the three games won, Mayville not only won her homecoming game, but also went on to defeat her traditional rival, Horicon.

This season would not have been as successful as it was if it were not for the guiding and competent hand of our Coach, Ray Dunn; in our moments of victory as well as defeats, his hand steadied us and kept us on the Road of Success. As long as roses are being thrown, we should stop a moment and salute those boys who gave their all for M.H.S. and who are now playing a bigger game, in this bigger game will fight for their their Alma Mater, the U.S.A. At the time this article is written they are as follows: Wilbur Gruenwald, Maurice Whitty, Bob Schwantes. May they enjoy all the good luck that all of them deserve.

The Cardinals opened the season with a proverbial "bang" by defeating Berlin by a score of 14 to 13. This game was played under the footlights at Berlin and was her first defeat.

After holding West Bend for a half, Mayville lost her grip and succumbed to a score of 20 to 3.

"Cooney" swamped a bewildered and sad looking Cardinal Team, by the score of 26 to 0. "Cooney" incidentally went on to win the Little Ten.

Mayville as yet was unable to find herself and was badly beaten by a hard hitting and aggressive team, and when the final tally was given, Waupun had 26 and Mayville 0.

Here was that game that was waited for by all Mayville, our Homecoming. Mayville was not the only one to have a field day, for also did the "minnows," as most of the field was under water. Although playing under very trying and adverse conditions, Mayville went on to win, 20 to 7. Touchdowns were made by Hartwig and Grosenick.

The last game of the season was against our neighbors the "Marsh Men." Our Seniors as well as our under-class men realized this was the last game of the season and gave their all. Consequently Horicon lost by 19 to 7. Touchdowns were made by Bandlow, and Hartwig with two.

"B" SQUAD FOOTBALL

The football "B" squad, although winning no games, went through a season that taught them enough football to carry on more winning ways in future seasons. Mr. Whitford's teams were faced with games with second teams of other schools while his team was composed of freshmen and sophomores. With the material that was represented on the squad, more winning teams will be produced.

VARSITY BASKETBALL SEASON

HARTFORD: After two non-conference games Mayville made her debut in the Little Ten by playing Hartford. It seemed in the first quarter that this was going to be a knick and tuck battle all the way and it certainly was, but Mayville, unable to stand the pace, finally succumbed to a score of 30-25. High scorers for the game were Hartwig and Baertchy with seven points apiece. The remaining points were tallied by Mauch, with four.

WAUPUN: After our non-victorious entrance into the Little Ten, Mayville was charted to play Waupun on our home floor, but even this did not seem to bring any spontaneity to our team and consequently we were crushed by a score of 25-38. High scores were made by Miller and Baertchy with six points apiece. The rest were contributed by Hartwig two, Mauch four, Schwantes four, Weinsheim two, Bauman one.

HORICON: After two defeats Mayville finally found herself face to face with her traditional rival, Horicon. Mayville, although not having won any games, gave her rival a battle typical of all the games played between these two rivals. After a hard fight Mayville dropped behind and thus lost to a score of 19-25. High scorer was Tom Hartwig with six points. In quick succession came Grosenick with five, Mauch with four and Cose and Ruedebusch with two apiece.

WEST BEND: Another home game with probably one of the strongest teams in the conference, but Mayville managed to find herself and managed to bust through West Bend's zone and score a decisive victory of 23-16. High scorer was Mauch with six points. The remaining points were tossed in by Schwantes with four, Grosenick two, and Ruedebusch three, Baertchy three, Hartwig three.

OCONOMOWOC: "Cooney" was picked by many as the Little Ten Champs and they certainly lived up to form. Sorenson and Blank were the big guns. Mayville lacked the defensive power to stop them. The final tally was Mayville 23, "Cooney" 37. Points were tallied for Mayville by Baertchy ten, Mauch seven, Weinsheim one, Rusch two.

HARTFORD: Mayville was it seemed a greatly rejuvenated team for she went out on the court with the proverbial "blood in her eye" and defeated Hartford by the humiliating score of 34-15. High scorer was Schwantes with nine points. The remaining points were tallied by Hartwig with five, Mauch with five points, Baertchy with five, Grosenick six, Cose two, Weinsheim two.

WAUPUN: Mayville by this time seemed to be using the style that typified Mayville's iron men, the one of winning consecutive victories and Waupun found herself in no position to argue. Thus Waupun found herself beaten by the score of 28-25. High scorer was Weinsheim with eight points. The rest were divided by Hartwig four, Baertchy three, Schwantes four, Grosenick two, Mauch seven.

HORICON: This game was Mayville's chance to play the fiddle and make Horicon dance. This music to Horicon's ears was not pleasant. They finally succumbed to the tune of Mayville 26, Horicon 16. High scorer was Hartwig with eight points. The remaining points were tallied by Mauch four, Baertchy six, Schwantes three, Weinsheim four.

WEST BEND: This was one of the lowest scored games in the Little Ten and as many might guess a very tightly contested one. The final tally was Mayville 18, West Bend 15. High scorer was Schwantes with five points in quick succession followed by Cose with four, Hartwig three, Mauch one, Baertchy two.

OCONOMOWOC: This was Mayville's last game and fired with this incentive, tried to make a one last victory. Try as she could, she was not able to defeat the impregnable "Cooney."

WATERTOWN: This was Mayville's opponent in the District Meet, and she was resolved to beat her but it seems she could not influence Watertown to think along these same lines and consequently lost 29-35. High scorer was Baertchy with seven points. The rest were tallied by Weinsheim two, Cose two, Mauch six, Bauman one, Hartwig three.

Pep meeting at the Malt House grounds

In pouring rain Mayville defeated Hartford at the Homecoming game with a score of 20 to 7. By night the weather had cleared enough to allow the student body to put on the annual Hobo Parade and follow it with a mass pep meeting at the Malt House grounds.

Ruedebusch plays with Johnny Nugent

In the evening a very successful dance was held in the high school gym. Johnny Nugent of Oshkosh, with his attractive singer, Pat Price, furnished the music.

JUNIOR PROM

To honor the senior graduating class, the Juniors on the thirtieth of April sponsored the 1943 Prom. Age old rivalries were forgotten when Mayville and Horicon co-operated in sponsoring a joint prom in the Mayville gym. Johnny Nugent's orchestra, with his attractive singer, furnished the music. King Edward Naber and Queen Jeanette Schrauth led Mayville's Court of Honor composed of Dick Ruedebusch and Betty Jones, Jack Olson and Dorothy Luehring, and Wilbur Sperling and Gloria Dougherty. King Jack Weiland and Queen Irene Schneider led the Horicon Court of Honor.

Dorothy Thiel acted as the chairman of the decorations committee. Other committee chairmen were Jack Olson, Betty Jones, Ardis Justman, Jeanette Whitty, Margaret Neumeyer, and Eugene Mauch. The theme of the dance was "Moonlight Gardens."

Senior Prophecy

This is station C-O-R-N, broadcasting the latest events of the 1943 graduates of Mayville High School. You will be surprised to learn that Admiral Baertschy has been placed in charge of a rowboat. His present wife, Joyce Wheeler, is busy sewing curtains on the oarlocks. Two more service men, Wilbur Gruenwaldt and Morris Whitty, have been doing a thriving business of selling Nazi uniforms as souvenirs.

Roger Cose and Albert Valle, having been accepted by the Chicago Bear's football team, will start training immediately. Valle guarding the water pail and Cose tackling all girls.

Mary Orovich is now in the photography business with her sixth husband, Clyde Bandlow.

Harvey Sterr and Dick Ruedebusch, the former playing in the latter's orchestra, have opened an engagement at the Hoheim Ballroom. Admission $.09, plus tax.

Flash! Calvin Cundy is making red hair dye in Neda, and his most ardent customer is Betty Boeck, movie actress. She says if she doesn't marry soon she'll dye.

Jean Bachhuber and Art Gloede, Mayville's foremost society couple, have announced the opening of a brand new Poker Palace, featuring Hortensa Pankow as star entertainer.

Harold Weinsheim and Bob Schwantes have been making quite a n'ich in the Hall of Fame with their mosquito bombers.

Janis Mildbrandt saved all the letters she received from Gabby during the war and published a book named "Dear Janis." It is one of the current best sellers.

Here's an interesting note! ! Russell Zirbel just pitched a no hit, no run ball game with the Hustisford Mud-Dodgers. He is being managed by Mary Beth Caine who vows that she will marry him and that they will call their children Abel and Cain.

Virginia Bartelt is being starred in the Kekoskee Riverview Gardens in a guitar playing act, which features her guitar. P.S. She also runs the place. Her chief bartender is Dick Fisher who estimates that since the end of the war Pepsi-Cola sales have increased one hundred per cent.

Joan Becker now "flies through the air with the greatest of ease" because of her career as a trapeze artist in the Gittle Bros. Circus.

Betty Dreymiller and Mary Forstner, who had been playing with Oshkosh All Stars until the end of the war, have organized a team of their own, calling it the "Theresa Flashes."

We just had word that Cheese-merchant, Bill Heinrich, is making cheese as he pleases 'cause his wife, Beatrice Schimelpfineg, has got the sneezes. She runs the company.

Sherlee Hoepner is now running the State Bank—to ruin. Helping her accomplish the job is Vernice Brummond and Cecelia Breit. She says that she has never had better assistance.

Here is a brief transcribed announcement: Try Hattie Faeh's Hair Does. You really can't go wrong, 'cause they'll rid you of your hair "blues" and you can get them for a song.

A flash from Horicon Marsh: Hermit Tom Hartwig just announced the passing of four geese over his abode.

Vernon Struck, of the Consolidated Press, announces his engagement to one of "them there" Hustisford gals. Her father runs the dance hall.

General Zingler, of the Marines, notifies us that he cannot be present at the program this evening because his men are having trouble with the Hartford girls.

Another transcribed announcement:

Since the question has been asked,
And the truth is what you wish
Most men are liars
And all of them are fish.....

Join the Farrington and Owens "WE HATE MEN" Club.

Wilbur Sperling, Speaker of the House, has just talked the house down over his ears.

Profs. Schoenike and Oestricher have found a new cure for lipstick on the collar. Get enough lipstick on the collar and wear it red.

Jane Gruber was just elected to the U.S. Senate and is called "the second Clare Luce." She is trying to pass a bill that lowers the tax on whiskey.

And here is the outstanding news of the week! ! ! Elmer Steinbach just has been made star batting practice pitcher of the New York Yankees.

We just received word that Arlene Marquart was just made President of the Burlington Joker's Club.

Rita Ravanelli and La Verne Polzin are seen in every magazine in America—for the simple reason that they are photographer's models.

Sylvia Bachman is the proud owner of the "Dairy-Maid" ice cream parlor. Delores Neitzel and Delores Justmann are her chief "cook and bottlewashers."

And now for the surprise of the year! ! ! George Janssen, the President of the Union Pacific Railroad, bought the first civilian helicopter. He says that cars can go back to Henry Ford.

Rita Weinberger carries Eldred Helling's music stand for her as they traverse from city to city. Eldred, by the way, is the solo flutist with the New York Philharmonic Orchestra.

Melvin Neitzel has just sent us word that he is going into partnership with Calvin Cundy in the hair dye business.

And now, dear Americans, we will bring our little news review to a close. And please do not blame our radio engineer, the great David Forst, for letting us be on the air this long. We bribed him by giving him a new monocle to wear.
